

CCAMLR CONVENTION AREA

The Convention Area consists of all waters bounded by the Antarctic Continent to the south, and to the north by a line starting at 50°S, 50°W; thence due east to 30°E longitude; thence due north to 45°S latitude; thence due east to 80°E longitude; thence due south to 55°S latitude; thence due east to 150°E longitude; thence due south to 60°S latitude; thence due east to 50°W longitude; thence due north to the starting point.

AREA 48

The waters bounded by a line starting at 50°S, 50°W; thence due east to 30°E longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent, the Weddell Sea and the Antarctic Peninsula to 70°W longitude, where the meridian meets the coast of Ellesworth land; thence north across George VI Sound and due north to 60°S latitude; thence due east to 50°W longitude; thence due north to the starting point.

SUBAREA 48.1

The waters bounded by a line starting at 60°S, 70°W; thence due east to 50°W longitude; thence due south to 65°S latitude; thence due west to the eastern coast of the Antarctic Peninsula; thence around the peninsula to 70°W longitude, where the meridian meets the coast of Ellesworth land, thence north across George VI Sound and due north to the starting point.

SUBAREA 48.2

The waters bounded by a line starting at 57°S, 50°W; thence due east to 30°W longitude; thence due south to 64°S latitude; thence due west to 50°W longitude; thence due north to the starting point.

SUBAREA 48.3

The waters bounded by a line starting at 50°S, 50°W; thence due east to 30°W longitude; thence due south to 57°S latitude; thence due west to 50°W longitude; thence due north to the starting point.

SUBAREA 48.4

The waters bounded by a line starting at 50°S, 30°W; thence due east to 20°W longitude; thence due south to 64°S latitude; thence due west to 30°W longitude; thence due north to the starting point.

SUBAREA 48.5

The waters bounded by a line starting at 64°S, 50°W; thence due east to 20°W longitude; thence

due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent and northwards along the coast of the Antarctic Peninsula to 65°S latitude; thence due east to 50°W longitude; thence due north to the starting point.

SUBAREA 48.6

The waters bounded by a line starting at 50°S, 20°W; thence due east to 30°E longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent to 20°W longitude; thence due north to the starting point.

AREA 58

The waters bounded by a line starting at 45°S, 30°E; thence due east to 80°E longitude; thence due south to 55°S latitude; thence due east to 150°E longitude; thence due south to the coast of the Antarctic Continent; thence westward along the coast of the Antarctic Continent to 30°E longitude; thence due north to the starting point.

DIVISION 58.4.1

The waters bounded by a line starting at 64°S, 80°E; thence due east to 64°S, 86°E; thence due north to 55°S, 86°E; thence due east to 150°E longitude; thence due south to the Antarctic Continent; thence westward along the coast of the Antarctic Continent to 80°E longitude; thence due north to the starting point.

DIVISION 58.4.2

The waters bounded by a line starting at 62°S, 30°E; thence due east to 62°S, 73°10E; thence due south to 64°S, 73°10E; thence due east to 64°S, 80°E; thence due south to the Antarctic Continent; thence westward along the coast of the Antarctic Continent to 30°E longitude; thence due north to the starting point.

DIVISION 58.4.3

The waters bounded by a line starting at 56°S, 60°E; thence due east to 56°S, 80°E; thence due north to 55°S, 80°E; thence due east to 55°S, 86°E ; thence due south to 64°S, 86°E latitude; thence due west to 64°S, 73°10E; thence due north to 62°S, 73°10E; thence due west to 62°S, 60°E; thence due north to the starting point.

Division 58.4.3 is sub-divided into:

DIVISION 58.4.3a bounded by a line starting at 56°S, 60°E; thence due east to 56°S, 73°10'E; thence due south to 62°S, 73°10'E; thence due west to 62°S 60°E thence due north to the starting point; and

DIVISION 58.4.3b bounded by a line starting at 56°S, 73°10'E; thence due east to 56°S, 80°E; thence due north to 55°S, 80°E; thence due east to 55°S, 86°E; thence due south to 64°S, 86°E thence due west to 64°S, 73°10'E thence due north to the starting point.

DIVISION 58.4.4

The waters bounded by a line starting at 50°S, 30°E; thence due east to 60°E longitude; thence due south to 62°S latitude; thence due west to 30°E longitude; thence due north to the starting point.

Division 58.4.4 is sub-divided into:

DIVISION 58.4.4A bounded by a line starting at 50°S, 30°E; thence due east to 43°E longitude; thence due south to 62°S latitude; thence due west to 30°E longitude; thence due north to the starting point; and

DIVISION 58.4.4B bounded by a line starting at 50°S, 43°E; thence due east to 60°E longitude; thence due south to 62°S latitude; thence due west to 43°E longitude; thence due north to the starting point.

DIVISION 58.5.1*

The waters bounded by a line starting at 45°S, 60°E; thence due south to 53° 14'S latitude; thence east to the points 53° 14' 07"S, 67° 03' 20"E; thence to 52° 42' 28"S, 68° 05' 31"E; thence to 51° 58' 18"S, 69° 44' 02"E; thence to 51° 24' 32"S, 71° 12' 29"E; thence to 51° 03' 09"S, 72° 28' 28"E; thence to 50° 54' 23"S, 72° 49' 21"E; thence to 49° 49' 34"S, 75° 36' 08"E; thence to 49° 24' 07"S, 76° 42' 17"E; thence due east to 80°E longitude; thence due north to 45°S latitude; thence due west to the starting point.

* At CCAMLR-XV the co-ordinates for this area were revised to coincide with the relevant co-ordinates defined in the 1982 Agreement on Maritime Delimitation between France and Australia.

DIVISION 58.5.2

The waters bounded by a line starting at 56°S, 60°E; thence due north to 53° 14'S latitude; thence east to the point 53° 14' 07"S, 67° 03' 20"E; thence to 52° 42' 28"S, 68° 05' 31"E; thence to 51° 58' 18"S, 69° 44' 02"E; thence to 51° 24' 32"S, 71° 12' 29"E; thence to 51° 03' 09"S, 72° 28' 28"E; thence to 50° 54' 23"S, 72° 49' 21"E; thence to 49° 49' 34"S, 75° 36' 08"E; thence to 49° 24' 07"S, 76° 42' 17"E; thence due east to 80°E longitude; thence due south to 56°S latitude; thence due west to the starting point.

SUBAREA 58.6

The waters bounded by a line starting at 45°S, 40°E; thence due east to 60°E longitude; thence due south to 50°S latitude; hence due west to 40°E longitude; thence due north to the starting point.

SUBAREA 58.7

The waters bounded by a line starting at 45°S, 30°E; thence due east to 40°E longitude; thence due south to 50°S latitude; thence due west to 30°E longitude; thence due north to the starting point.

AREA 88

The waters bounded by a line starting at 60°S, 150°E; thence due east to 70°W longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent to 150°E longitude; thence due north to the starting point.

SUBAREA 88.1

The waters bounded by a line starting at 60°S, 150°E; thence due east to 170°W longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent to 150°E longitude; thence due north to the starting point.

SUBAREA 88.2

The waters bounded by a line starting at 60°S, 170°W; thence due east to 105°W longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent to 170°W longitude; thence due north to the starting point.

SUBAREA 88.3

The waters bounded by a line starting at 60°S, 105°W; thence due east to 70°W longitude; thence due south to the Antarctic Continent; thence westwards along the coast of the Antarctic Continent to 105°W longitude; thence due north to the starting point.

INTEGRATED STUDY REGIONS

Antarctic Peninsula ISR

The area bounded by a line starting at 60°S, 75°W; thence due east to 50°W longitude; thence due south to 65°S latitude; thence due west to the eastern coast of the Antarctic Peninsula; thence westwards along and including the coast of the Antarctic Peninsula to 75°W longitude, thence due north to the starting point.

South Georgia ISR

The area bounded by a line starting at 53°S, 40°W, thence due east to 35°W longitude, thence due south to 56°S latitude, thence due west to 40°W longitude, thence due north to the starting point.

Prydz Bay ISR

The area bounded by a line starting at 58°S, 55° E, thence due east to 85°E longitude, thence due south to the Antarctic Continent, thence westwards along the coast of the Antarctic Continent to 55°E longitude, thence due north to the starting point.
