NEW ARTICLE PROPOSED BY THE DELEGATION OF NEW ZEALAND

COOPERATION WITH CONTRACTING PARTIES IN RESPECT  
OF SHARED RESOURCES

The Commission shall cooperate with Contracting Parties which exercise jurisdiction in marine areas adjacent to the area to which this Convention applies, in respect of the conservation of marine living resources to which this Convention applies which are also found in waters, beyond the area of application of this Convention, under the jurisdiction of such Contracting Parties. The Commission shall endeavour to harmonize conservation measures adopted in respect of such resources with those adopted by such Contracting Parties.
