Assessment of Applications

11. The Panel should seek to be comprised of representatives with a range of suitable expertise who are capable of assessing proposals that span science-related work; compliance and management; institutional affairs; and developing data and information systems to support decision-making. Where necessary, Panel members may seek expert advice on specific proposals.

12. The Panel will receive applications by 1 August each year and will meet virtually prior to the Commission meeting. The Panel will meet during the first week of the Commission's annual meeting and shall make a recommendation for funding to the Standing Committee on Administration and Finance (SCAF). To avoid conflict of interest, a Panel member will be excluded from the discussion of applications from which their country would directly benefit.

13. When reviewing specific projects or activities, the Panel shall apply the selection and evaluation criteria contained in Schedule B for assessing applications for capacity building. In doing so, the Panel shall consider how closely aligned to the capacity building needs, as identified in Attachment 1, the project is, the availability of funds, whether the project is value for money, the number of Members benefiting from the project and the geographic spread of benefit.

17. The proposed management of the funding is a transfer from the relevant other CCAMLR fund to the Fund with the Panel acting as coordinator of the grant funding and ensure all reporting and budget criteria are met. The Secretariat will assist with the coordination as required.

Procedure for travel assistance to a meeting/workshop

18. The Commission shall, each year, define an amount of money from the Fund that the Panel may allocate to supporting travel applications. The Panel shall have the authority to grant applications for travel assistance, up to this limit, according to the priority indicated by the selection and evaluation criteria contained in Schedule D.

19. In assessing applications for travel assistance to a meeting, the Panel shall apply the criteria for selection and evaluation as contained in Schedule D and be guided by the purpose of the Fund, the provisions of the Convention, the financial needs of the applicant and the availability of the Fund.
20. The Fund will only fund applications for travel to attend CCAMLR-related meetings.
21. The closing date(s) for application for travel assistance to a meeting will be defined by the Panel as appropriate. The Panel may define more than one closing date each year. Late applications will not be accepted.
22. The applicants will receive confirmation of the level of support granted, according to the outcomes of the matrix in Schedule D, as soon as possible.
23. The following conditions shall apply to the travel support granted:

Where a Member(s) project is being funded according to paragraph 5, with the exception of paragraph 22 below, that Member(s) shall provide an annual report on the progress of the project, including details of the expenditure on the project. The report shall be submitted to the Secretariat no later than 15 July. When the project is completed, that Member shall provide a final statement of account certified as appropriate and approved by SCAF.

Annexed to the report shall be reports on the progress of each project being funded by the Fund, including details of the expenditure on each project, and a summary of travel grants issued. The report will be circulated to Members in advance of the annual meeting.
27. Ongoing and final project reports will be circulated to Panel members on, or before, 1 August for consideration. The Panel will meet (virtually if necessary) to review these reports and to formulate recommendations on all ongoing projects for the upcoming Commission meeting.

28. The Panel may consider a recommendation to cancel an ongoing project. Such a recommendation shall be exceptional and shall consider progress made to date and likely progress in the future. Such consideration will be communicated to the project coordinator who will have an opportunity to present a case for continuation of funding to the Panel.

29. A working paper will be presented annually to the Commission and will present recommendations on the following:
