

Hello Everyone,

I've spoken with Hotel La Jolla, and they have kindly extended the deadline to book rooms in our reserved block for the upcoming SG-ASAM meeting until 23 February. If you haven't already made your reservations, please do so as soon as possible; finding another hotel at this rate and located so close to our lab will be very difficult (if not impossible).

The link George sent out in December to make reservations no longer works. To make a reservation, please email Amanda Campbell (amanda.campbell@hotellajolla.com) and reference SG-ASAM. You will need to provide credit card information; if you're uncomfortable with emailing that information, please contact Amanda to arrange a more secure way to provide this information. If you prefer to call, she can be reached at 1-858-551-3627.

Please let me know if you have any questions or you need assistance. We look forward to seeing you all next month.

Sincerely,
Jen
