

CONSERVATION MEASURE 37/X
Effort and Biological Data Reporting System for
***Dissostichus eleginoides* in Statistical Subarea 48.3**
for the 1991/92 Season

This Conservation Measure is adopted in accordance with Conservation Measure 7/V:

1. At the end of each reporting period, as defined in Conservation Measure 36/X, each Contracting Party shall obtain from each of its vessels the haul-by-haul data required to complete the CCAMLR fine-scale catch and effort data form for longline fisheries (Form C2, Ver. 2). It shall transmit those data to the Executive Secretary not later than the end of the following reporting period.
2. At the end of each month, each Contracting Party shall obtain from each of its vessels a representative sample of length composition measurements from the fishery (Form B2, Ver. 4). It shall transmit those data to the Executive Secretary not later than the end of the following month.
3. Failure by a Contracting Party to provide the haul-by-haul data for three consecutive reporting periods shall result in the closure of the fishery to

vessels of that Contracting Party. If the Executive Secretary has not received haul-by-haul data for two consecutive reporting periods he shall notify the Contracting Party that the fishery will be closed to that Contracting Party unless those data (including arrears of data) are provided by the end of the next reporting period. If at the end of the next reporting period those data have still not been provided, the Executive Secretary shall notify all Contracting Parties of the closure of the fishery to vessels of the Contracting Party which has failed to supply the data as required.

4. Failure by a Contracting Party to provide the length composition data for three consecutive months shall result in the closure of the fishery to vessels of that Contracting Party. If the Executive Secretary has not received length composition data for two consecutive months he shall notify the Contracting Party that the fishery will be closed to that Contracting Party unless those data (including arrears of data) are provided by the end of the next month. If at the end of the next month those data have still not been provided, the Executive Secretary shall notify all Contracting Parties of the closure of the fishery to vessels of the Contracting Party which has failed to supply the data as required.
